

Reference GB/295/S-85

Certificate Issue 2

# Certificate of Approval of Design for Special Form Radioactive Material

Title	
Neutron Source - Capsule Assembly X.2035	
Drawing Nos and Specification References	
Assembly: Details:  AI/SF/295 Dated 21 December 1983 QARS/DD/295/1195 Dated 23 November 1995	3A 61495 Issue B 3A 61494 Issue B 3A 61493 Issue B
Q.A. Programme Ref: Amersham International's "Transport Safety Arrangements"	
Radioactive Material	Maximum Activity
Americium 241/Beryllium	37 GBq

THIS IS TO CERTIFY that the Secretary of State for Transport being, for the purposes of the Regulations of the International Atomic Energy Agency, the Competent Authority of Great Britain in respect of inland surface transport and of the United Kingdom of Great Britain and Northern Ireland in respect of sea and air transport and the Department of the Environment for Northern Ireland being the Competent Authority of Northern Ireland in respect of inland surface transport, have approved the above mentioned Special Form Design. Radioactive material manufactured to the above-mentioned design qualifies as special form radioactive material and as such will meet the requirements of the regulations overleaf.

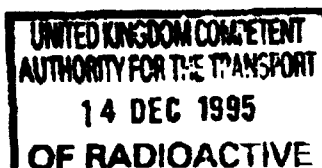

This Certificate of Approval applies only to the design as set out in the above named drawings and specifications submitted by Amersham International plc

In the event of any alteration in the composition of the package, the package design or in any of the facts stated in the application for approval, this certificate will cease to have effect unless the Competent Authority is notified of the alteration and the Competent Authority confirms the certificate notwithstanding the alteration.

This Certificate Cancels all Previous Issues and is valid until 30 November 1998

**COMPETENT AUTHORITY  
IDENTIFICATION MARK:**

Gb/295/S-85

Transport Radiological Adviser  
 Department of Transport  
 2 Marsham Street  
 London SW1P 3ES

On behalf of the Secretary of State  
for Transport and the Department of  
the Environment for Northern Ireland
